(Memo No. 1274 R/37-3 dated 13-8-37)

From the Board of Revenue & Rts. Ref. B. No. 2040/37-5 dated 20-9-37.

To Asst. Secy

S. No. 638 of Bellary and the buildings thereon became surplus to military requirements. They were sold by the Tahsildar of Bellary to one Mossa Sahib at an auction held on 26-8-35 for Rs. 1,400. The Govt. of India confirmed the sale. A draft sale deed in respect of the land was first prepared by this Govt and has been approved by the Govt of India. It provides for its execution by both the vendor and the purchaser. Under Sec 29 (c) of the Indian Stamp Act the expenses of procuring the proper stamp duty has to be borne by the grantee. This Govt accordingly ordered that the cost of stamp papers required for the preparation of the sale deed should be borne by the purchaser and asked the Board to have the sale deed

executed by the purchaser on stamp papers of the proper value.

2. The Board now reports that the purchaser objects this being required to produce the necessary stamp papers and that he states that he would if necessary surrender the site after removing the materials of the buildings. The Board considers that the Govt are in no way interested in issuing a title deed to the purchaser and that if he does not produce the necessary stamp papers for executing a sale deed he does so at his risk. The Board therefore recommends that the production of stamp papers need not therefore be insisted upon and that the matter may be dropped

3. The stamp duty payable on the sale deed is Rs. 22-80. If the sale deed is not executed the Provincial Govt. stand to lose this amount. But there seems to be no way by which the purchaser could can be compelled to produce the stamp papers. In the circumstances the Govt. of India may be informed as recommended by the Board of Rev.
